

550H POWERPLATE

Easy Mix

Plate Compactor

- Solid, high strength steel base plate with curved edges provides top performance
- Anti vibration flip over handle for easy transportation
- Lifting hook fitted as standard
- Front mounted exciter means the plate compactor has the ability to pull itself through softer material with greater ease
- Exciter uses sealed bearings so no need for oil in it
- 12 month machine warranty
- 36 month Honda motor warranty
